

Signing Simplified

Mosai Circle is an easy-to-use e-Signature tool. Here are some of the key benefits:

- Single passcode access
- Web-based platform — no app required
- Sign up to 50 care plans with one click
- One login for multiple care partners
- Custom notifications to stay on track
- Staff access for delegated workflows
- Eliminates faxes and follow-up calls

Ready to get going? There are two options:

Circle e-Signature

This option is tailored for individual providers and their assistants. Registration is facilitated through an email invitation. To get started, please reply to this email with your interest and we will send you that invitation.

Circle Practice

This option is designed for practice administrators and allows for the creation and management of both provider and staff accounts. It offers a comprehensive view of all orders across your practice and enables direct connections with your home-based network. To get started with this option, your office manager or clinical coordinator should complete a few questions [here](#).

We are here to support your transition and ensure continued ease in managing your orders. If you have any questions or need assistance getting started, please don't hesitate to reach out.
