

Client Success Snapshot

Mosai Circle is your integrated e-signature solution that is a win-win for your business and your signing providers. Our dedicated Circle Team has the recipe for success to help you achieve your goals.

About the Agency

Florida-based Concierge supports over 6,000 patients across their multiple service lines.

Agency Goals

Correct the significant problem that 50% of their orders were taking too long to return with signature.

Results

Problem solved! Orders are now signed **52% faster** with over **11,000 orders** signed.

Using Circle, the return times have plummeted. I am talking about immediately. And they stayed there... We had physicians who were taking 40 days, 50 days to sign - down to less than a week using Circle... It really has been a fantastic tool that we are very happy we adopted.

When we tell our physician contacts they can bulk sign 50 orders using Mosai Circle, they immediately ask to be signed up! And Circle has helped Aspire keep relationships strong with our referring partners, even when we were switching EHRs."

About the Agency

Aspire Home Healthcare operates out of Illinois and serves 1,150 home healthcare patients.

Agency Goals

Convert 100% of eSigners to Mosai.

Results
